UNSTARRED QUESTION NO:7776
ANSWERED ON:16.05.2000
ELECTRIC INSTRUMENTS AND WIRING
RAM TAHAL CHOUDHARY

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether electric instruments and wiring in Government accommodation in Delhi are very old due to which modern electric instruments cannot be used; and

(b) if so, the names of Government colonies where the old wires and instruments have been changed during the last three years?

Answer

MINISTER OF STATE FOR URBAN DEVELOPMENT (SHRI BANDARU DATTATREYA)

(a): Electric wiring in some of the Government residential accommodation i s very old, which has been replaced i n many cases. Modern residential electric instruments however can be used on existing wiring, depending upon the capacity of the individual plugs and service connection.

(b): List of Government colonies where the old wires and instruments have been changed as per site needs/demands of allottees is given in Annexure.
